

# UCEP Bangladesh

## Technical Evaluation Criteria:

UCEP Bangladesh is undertaking a vertical extension of one floor (2nd floor) of the **UCEP Rangpur TVET Institute Building** located in Taluk Dharmadas, Rangpur. The approximate area of the 2nd floor of the Reinforced Cement Concrete (RCC) frame structure building is 6,950 square feet.

Interested contractors are requested to submit the following documents for technical evaluation. UCEP Bangladesh will strictly evaluate all submitted documents according to the criteria and scoring outlined below:

1. **Company Profile (2.5x4=10 Points)**
  - Legal documents
  - Completed project list (including project duration and value)
  - Manpower list
  - Equipment list
2. **Enlistment/Authorization Certificates (5X2=10 Points)**
  - Certificates from authorities such as LGED, PWD, PHE, EED, FS&CD, and other relevant national and international authorities
3. **Completed Similar Projects in the Past 3 Years (2X5=10 Points)**
  - Documents of projects/work of similar nature completed in the past 3 years
  - Each project should have a minimum value of 1 crore or above
4. **Bank Solvency Certificates or Bank Statement (1X10=10 Points)**
5. **Relevant Work Experiences and Completion Certificates (5X2=10 Points)**
  - Certificates of relevant work experiences and completion
  - Relevant work orders
6. **Past Work Orders and Experience Certificates (5X2=10 Points)**
  - Documents of past and ongoing projects/work
  - Professional certificates

**Total Technical Score:** 10X6=60 Points

## Submission Guidelines

- Contractors must submit photocopies of all required documents.
- If UCEP Bangladesh requests to verify any documents, contractors must provide the original copies at any stage of the tendering process.

This technical evaluation will help UCEP Bangladesh ensure that the selected contractor is qualified and capable of successfully completing the project according to the specified requirements.
