

# UCEP Bangladesh

## Technical Evaluation Criteria:

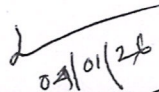

**UCEP Bangladesh** is undertaking for Renovation, Repair, and Maintenance work of UCEP Mohsin Khulna Technical School premises and other related facilities located at Junction Road, Boikali, Boyra, Khulna.

Interested contractors/vendors are requested to submit the following documents for technical evaluation. UCEP Bangladesh will strictly evaluate all submitted documents according to the criteria and scoring outlined below:

1. **Company Profile (2.5x4=10 Points)**
  - Legal documents (BIN, TIN, Updated TAX Return submission copy etc.)
  - Completed project list (including project name, duration, completion date and value)
  - Manpower list with detail qualification
  - Equipment list with its purchase date and specifications.
2. **Enlistment/Authorization Certificates (5X2=10 Points)**
  - Certificates from authorities such as LGED, PWD, PHE, EED, FSCD, and other relevant national authorities.
  - International authorities
3. **Completed Similar renovation type of Projects in the Past 3 Years (5X2=10 Points)**
  - Documents of projects/work of similar nature completed in the past 3 years
  - Each project should have a minimum value of 50 lakh or above
4. **Bank Solvency Certificates and Bank Statement (5X2=10 Points)**
5. **Relevant Work Experiences and Completion Certificates (5X2=10 Points)**
  - Certificates of relevant work experiences and completion documents
  - Relevant work orders
6. **Past Work Orders and Experience Certificates of any type of civil and electrical work (5X2=10 Points)**
  - Documents of past and ongoing projects/work
  - Professional certificates of employees and companies

**Total Technical Score: 10X6=60 Points**

UCEP Bangladesh

## Submission Guidelines:

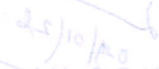

- Contractors must submit photocopies of all required documents.
- If UCEP Bangladesh wants to verify any documents, contractors must provide the original copies at any stage of the tendering process.
- Contractors must not change any item's description or specifications.
- The quantity of any item of work may vary.

This technical evaluation will assist UCEP Bangladesh in ensuring that the selected contractor is qualified and capable of completing the project in accordance with the requirements and specifications stated in the BoQ and drawings.

**\*Note: The contractors are requested to submit all the photocopy documents, not any type of main document. If any stage, UCEP Bangladesh wants to trace any main documents, then contractor must be submitted his/her original copy in any time of the tendering process.**
